

Encounter Registration Information

We have adopted the following rules in order to ensure fairness and expediency in processing registrations for our Encounter Retreats. Please take a moment to review them. If you have any questions, please see the attendant at the Encounter Registration table after service or call the church office. Thank You!

1. Ensure the appropriate registration form is filled out completely and legibly
2. Both Participant and Server fee is \$135. For Servers, an additional \$30 for 3 server shirts may be required (all Servers must have 3 shirts). All servers must have attended an Encounter. (All prices subject to change ... see the website for current pricing)
3. Minimum age is 16. If you are 18 or younger, you must have your parent's or guardian's approval.
4. All deposits are non-refundable and non-transferable. If openings occur, the next person on our waiting list will be selected to attend.
5. A minimum deposit of \$50 must be provided with a registration form. All balances must be paid 2 weeks prior to the Encounter weekend. Anyone registering within 2 weeks of the Encounter must pay in full.
6. The person attending the Encounter must sign the registration application. Please do not register someone without their knowledge and approval.
7. If you are handing in your form or payment at church, please do so AFTER service.
8. Once a registration form and a deposit are received, a letter will be mailed to the participant's home address to confirm his/her registration. A person's spot is only confirmed when they receive this letter.

Thank you for your cooperation!
